The Perfect Way to Share Your Special Day

Welcome to Lanzerac Country Estate

Located in the beautiful Barossa Valley, Lanzerac Country Estate is nestled among vineyards with a spectacular outlook to the rolling hills and local wineries.

Once a farmhouse with mixed farming and vineyard, the concept of a hosted bed & breakfast has been carefully developed while keeping the old world charm and the farm character.

The 60 year old vineyard produces Shiraz, Grenache and Pedro varieties.

Set on 5 acres, the property also features seven suites, a lake and 'The Barn', a delightfully decorated restaurant where you will enjoy a sumptuous breakfast of local produce and fresh coffee.

Lanzerac Country Estate is the perfect location for your wedding day with the beautiful country charm of the Barossa Valley as your back drop and tranquil lakeside location.
